EXPERIENCE

Aflac, Indianapolis — *Benefits Consultant*

January 2019 - August 2019

Business to business insurance sales. Helped businesses implement benefit packages. Also, assisted policyowners choose the right products to fit their needs as well help with their claims.

Finance of America, Carmel — *Sales Associate*

May 2017 - January 2019

Building working relationships with clients via phone sales while guiding them to the right mortgage product to accomplish what goals they may have.

The Tap, Bloomington/Indianapolis — *Manager*

May 2014 - May 2017

Handled aspects of a high-volume bar/restaurant with more than 20 employees working under my leadership on a given day or night. Assisted in the opening of brand-new location.

Scenic View, Bloomington — *Manager*

March 2011 - May 2014

Handled aspects of a seasonal restaurant ranging from 200 customers per day during peak season and 80 customers per day during slow season. Handled cost control, team building, training, and everyday service.

EDUCATION

Eleven Fifty Academy, Fishers — *Javascript*

August 2019 - October 2019

Bootcamp academy where I studied Javascript, HTML, CSS, React, Angular, Agile, and UX/UI

Indiana University, Bloomington — *Business Administration*

August 2007 - May 2009

Pursued business courses designed to provide a strong academic foundation in core business functions including general business administration, accounting, finance, project management.
