Objective

JavaScript Junior Web-Developer expecting to graduate in October 2019. Searching for a challenging career with opportunities to grow my skills with your company as well as opportunities to move into higher roles with your company.

Experience

January 2019 – August 2019

Sales Associate| Aflac

Business to business insurance sales. Helped businesses implement benefit packages. Also, helped policyowners choose the right products to fit their needs as well help with their claims.

May 2017 - January 2019

Sales Associate| Finance of America

Building working relationships with clients via phone sales while guiding them to the right mortgage to accomplish what goals they may have.

May 2014 – May 2017

Manager | The Tap

Handled aspects of a high-volume bar/restaurant with more than 20 employees working under my leadership. Assisted in the opening of brand-new location.
